OTPOURRI

**PUBLISHED BY THE STUDENT BODY OF LOUISIANA
STATE NORMAL COLLEGE, NATCHITOCHEs, LOUISIANA**

IN RECOGNITION

THE students of Louisiana State Normal College dedicate this, the Twenty-Eighth Volume of THE POTPOURRI, to "Our Dean," who, through his experiences as a rural school teacher, a country school principal, a member of the State Department of Education, and his affiliations with numerous educational projects in the state, understands the problems of the college youth and lends dignity and prestige to his position as the leader in cultural endeavors at his Alma Mater.

OF

Murphy P. Rogers

A.B., M.A., Ph.D.

DEAN OF THE COLLEGE

AS we watch our happy and eventful years at Louisiana State Normal College pass rapidly by, we can reconcile ourselves to the thought of separation only with the assurance that we are storing up memories and associations never to be forgotten. It is the purpose of this book to give to these treasures of the mind, tangible expressions—to give a sympathetic interpretation of Normal's background and its growing traditions, and embodiment of the ideals and aspirations of its students through many generations, and a graphic chronicle of the work and play and glorious comradeship that give these fleeting years their lasting significance.

PRESIDENT ALBERT A. FREDERICKS

ACCOMPLISHMENTS

With the graduation of the class of 1939, Albert A. Fredericks will complete his fifth year as President of the Louisiana State Normal College . . . It seems fitting that we review the outstanding events of his term of office . . . First of all, the enrollment in residence, correspondence, and extension class students has increased 45 per cent under the administration of President Fredericks . . . The varied activities of President Fredericks in the educational and social world and his appointment to state-wide committees have popularized the name of NORMAL among influential circles . . . New extra-curricular activities have taken root in the past five years, making the students' leisure hours interesting . . . A vast intramural league in all sports and entertainment has been inaugurated to stimulate competition between the various groups . . . Alumni clubs have been established in numerous cities. The Alumni Columns reaches the homes of graduates all over the South . . . Among the improvements on the State Normal College campus during the past five years are the Richard W. Leche library, a new power and light plant, including a parkway lighting system, three N. Y. A. dormitories, that accommodate over 200 students, renovations of all the old buildings on the campus, a new football "bowl," embracing a football field and a quarter-mile cinder track and an extensive roadway and landscaping project . . . Under construction as this edition of THE POTPOURRI goes to press are a fine arts building and auditorium, two dormitories for women, a social room, a men's dormitory, a stadium, a student center and natatorium, and additions to the infirmary and to the power plant . . . All of these accomplishments have been brought about largely through the keen foresight and untiring energy of our president, a man who has endeared himself to the hearts of students, faculty and administrative staff members, and graduates of the college.

T H E

MURPHY P. ROGERS

Dean of the College

The youngest of the deans in age and in point of service, Dr. Murphy P. Rogers has an outstanding record. He seems to be planning great things for the College.

H. LEE PRATHER

Dean of Students

Concerned with keeping the students appeased, Dean Prather finds it necessary to draw on all his reserves of friendliness and fellowship, qualities that have made him the popular man that he is.

D E A N S

MISS DEAN E. VARNADO

Dean of Women

The Dean of Women, Miss Dean E. Varnado, acts in the capacity of a general adviser to the women students of Normal. A closer relationship is insured to each woman which gives increased incentive for higher scholarship.

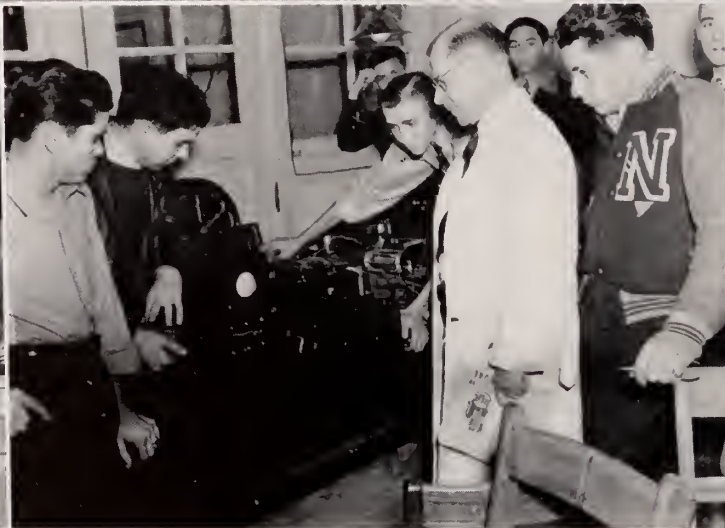

MRS. ETHEL L. HEREFORD

*Dean of Off-Campus Women and
Social Director*

Mrs. Ethel L. Hereford, Dean of Off-Campus Women and Social Director serves the town girls in the same way that Miss Varnado serves the club girls. As Social Director, she exercises supervision of all social events.

The Student Body Association of the Louisiana State Normal College was organized in 1927 with the election of a president, a vice-president, a secretary-treasurer and ten members of the Student Council. To make the Council a representative part of the student body, members were selected from the outstanding organizations of the campus. The student body officers became the officers of the Student Council; the Vice-President of the Student Body acting as President of the Council, the Student Body President as Vice-President of the Council, and the Secretary-Treasurer of the Student Body as secretary of the Council. Other members were elected as representatives of the Newman Club, Y. M. C. A., Y. W. C. A., the two publications, Senior Class, Junior Class, Sophomore Class, and three were elected from the student body at large.

A Word From the 1939 Staff

Every college annual proposes to review and crystalize the school year that its memory may be perpetuated. THE POTPOURRI is no exception, but we believe this volume goes farther in trying to present Normal at its finest; to show her high-ranking position among institutions in the South. If we accomplish our purpose of bringing Normal College more clearly into the public eye, we shall feel that our work is a success.

Journalism on the campus as relatively represented by the *Current Sauce*, official paper of the student body, underwent no extraordinary changes inasmuch as the publication dates and format of previous issues were retained. Such innovations as were instituted were concerned with technique and policy. From the technical viewpoint the paper was changed in makeup so as to conform with the latest concepts of functional journalism. The *Current Sauce* was departmentalized to make for more effective coverage and presentation. Chief of the politic changes was the enlargement of the college paper's scope so as to present a representative picture of not only college activities but also college thought here and elsewhere.

AND THE BOYS

Finishing the last half of the season with a winning spurt that gave them four victories out of five games played, Coaches Turpin's and Aillet's 1938 Demon football team compiled a "50-50" record of five wins and five losses.

Dogged throughout with injuries and unfortunate breaks the Demons at mid-season had only one win to show against the four losses on the other side of the ledger. Continuous pounding at touchdown doors began to bring results, however, and four consecutive victories were notched on their

belts. Playing for the Little-Four Championship in their final appearance of the season, the Purple and White clad players had a pass to back-fire and lost to the Southwestern Bulldogs 7-0.

Opening against the powerful Centenary Gentlemen of Shreveport, the Demons yielded two touchdowns and a safety and lost 14-0. Even with Weenie Bynum, second-string All-S. I. A. A. in perfect stride, Sophomore Parker Wiggins, pointing to

his future brilliant play, was the stand-out on the field.

The East Texas Teachers were next on the schedule, and led by Tully, Little All-American back, chalked up a 19-6 victory. Steve Harmon's 68-yard touchdown jaunt, the longest of the season both for and against the Demons, was the highlight of the game.

A third consecutive loss was handed the Normalites by the Sam Houston Bear Kats. With seven injured regulars on the side lines, the Demons lost 14-6, Wiggins' plunge from the six-yard line resulting in their only score.

Still without a tally in the win column, the Demons met the Southeastern Lions here on the new athletic field and completely outplayed the visitors to register a 6-0 victory. Murrell's pass to Black that was good for 55 yards in the last minute of play gave the local team its margin of supremacy.

Fired over their lone win, in spite of the five regulars that were injured, the local squad, the following week, invaded the lair of the Louisiana College Wildcats and, in a thrill-packed game, emerged on the little end of a 17-14 score. A pass from Barber to Ulmer gave the Central Louisi-

ana team first blood but it was quickly tied by a pass from Murrell to Perkins. The Demons then forged into the lead with a pass from Murrell to Pernici. This lead was dissipated in the third quarter as another connection was made by the Wildcat passing combination of Barber and Ulmer. In the last few minutes of the fourth quarter, the Wildcats took the ball on the Demons' thirty-yard line, from where Barber, on third down, kicked a perfect field goal.

Undaunted still, the Purple and White team met the Louisiana Tech Bulldogs at

the stadium on the State Fair Grounds in Shreveport. Trailing six points for fifty-five minutes, the local team, with Murrell passing, worked the ball down to the nine-yard line, from where three passes were thrown into the end zone before Migues caught the fourth for a touchdown. Ledet then kicked the extra point that gave the local squad its second victory.

Once more on their home field, the Normalites turned on a crushing attack that

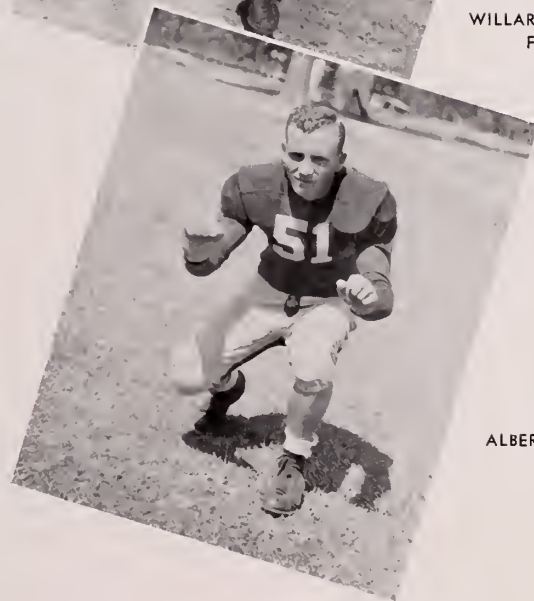

swamped the Mississippi Delta Statesmen 42-0. Loomis, Wiggins, Scurria, Pernici, Tyler and Jackson all scored touchdowns; and Saucier converted three times, Ledet twice and Renwick once to complete the total points.

For the third consecutive time the Demons remained on top, as they defeated the Stephen F. Austin Lumberjacks in Nacogdoches the following week, 6-0. Although penalized 125 yards, a pass from Wiggins to Perkins again paid dividends and the local squad had four wins to show.

to do, Coaches Turpin's and Aillet's charges two weeks later, on the strength of Steve Harmon's twenty-yard touchdown run in the first quarter, upset the powerful Mississippi State Teachers, 6-0.

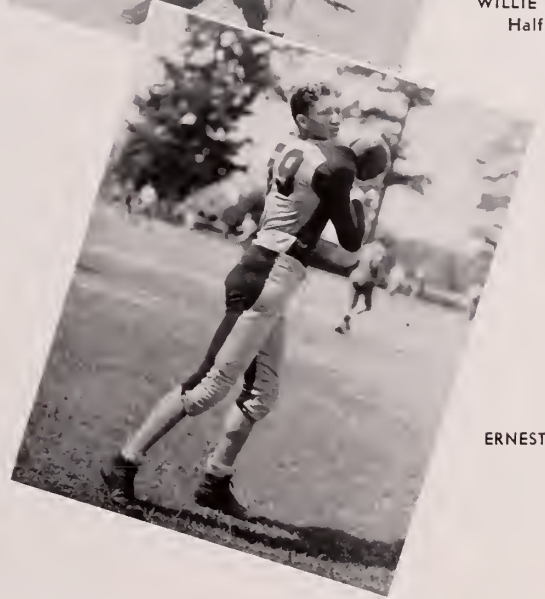

Then, with the Little-Four Championship at stake, the Demons invaded LaFayette Thanksgiving Day and completely outplayed the Southwestern Bulldogs, only to lose 7-0. A pass which was intercepted on the local squad's thirty-yard line placed the Bulldogs in a position to score. A pass from Montgomery to Abel, All-S. I. A. A.

back, who had been and from then on, completely bottled up, scored the touch-down.

Although the season was even insofar as games won and lost were concerned, a study of the statistics of all ten games reveals that the Demons are ahead in practically every phase. Coaches Turpin's and Aillet's squad scored 94 points to the opposition's 77, and rolled 2,330 yards from scrimmage or approximately one and one-half miles. On the other hand, their opponents were able to chalk up only 1,148 yards, less than half as much. In the course of this

marching the local team made 109 first downs to the 77 that were made against them. The opposition gained a slight advantage in passing only, attempting 127 heaves, 44 of which were completed for a total of 651 yards or an average of 14.5 yards for each completion. The Demons attempted 121 passes and completed 29 for a gain of 438 yards or an average of 15.3 yards for each completion.

In a squad of thirty-three men, twenty-

seven of which earned letters, fourteen are seniors. The graduating class contains three ends, E. D. Perkins, Jr., John Elkins, and Gordon Wiggins; three tackles, Maxey, Tom Elkins, and Flournoy; a center, "Kidd" Farr; four backs, Loomis, Pernici, Cope, and Harmon; and three guards, Russell, Hillman, and Walter Ledet, who was selected by the Associated Press for a position on the first string of the All-S. FRESHMAN FOOTBALL RESUME

Coach Guy Nesom's 1938 Freshman Football Team ended the season with a perfect record, insofar as games won and lost is concerned, remaining undefeated in the four contests. Only a tie with the Louisiana Tech Bullpups mars, slightly, the schedule.

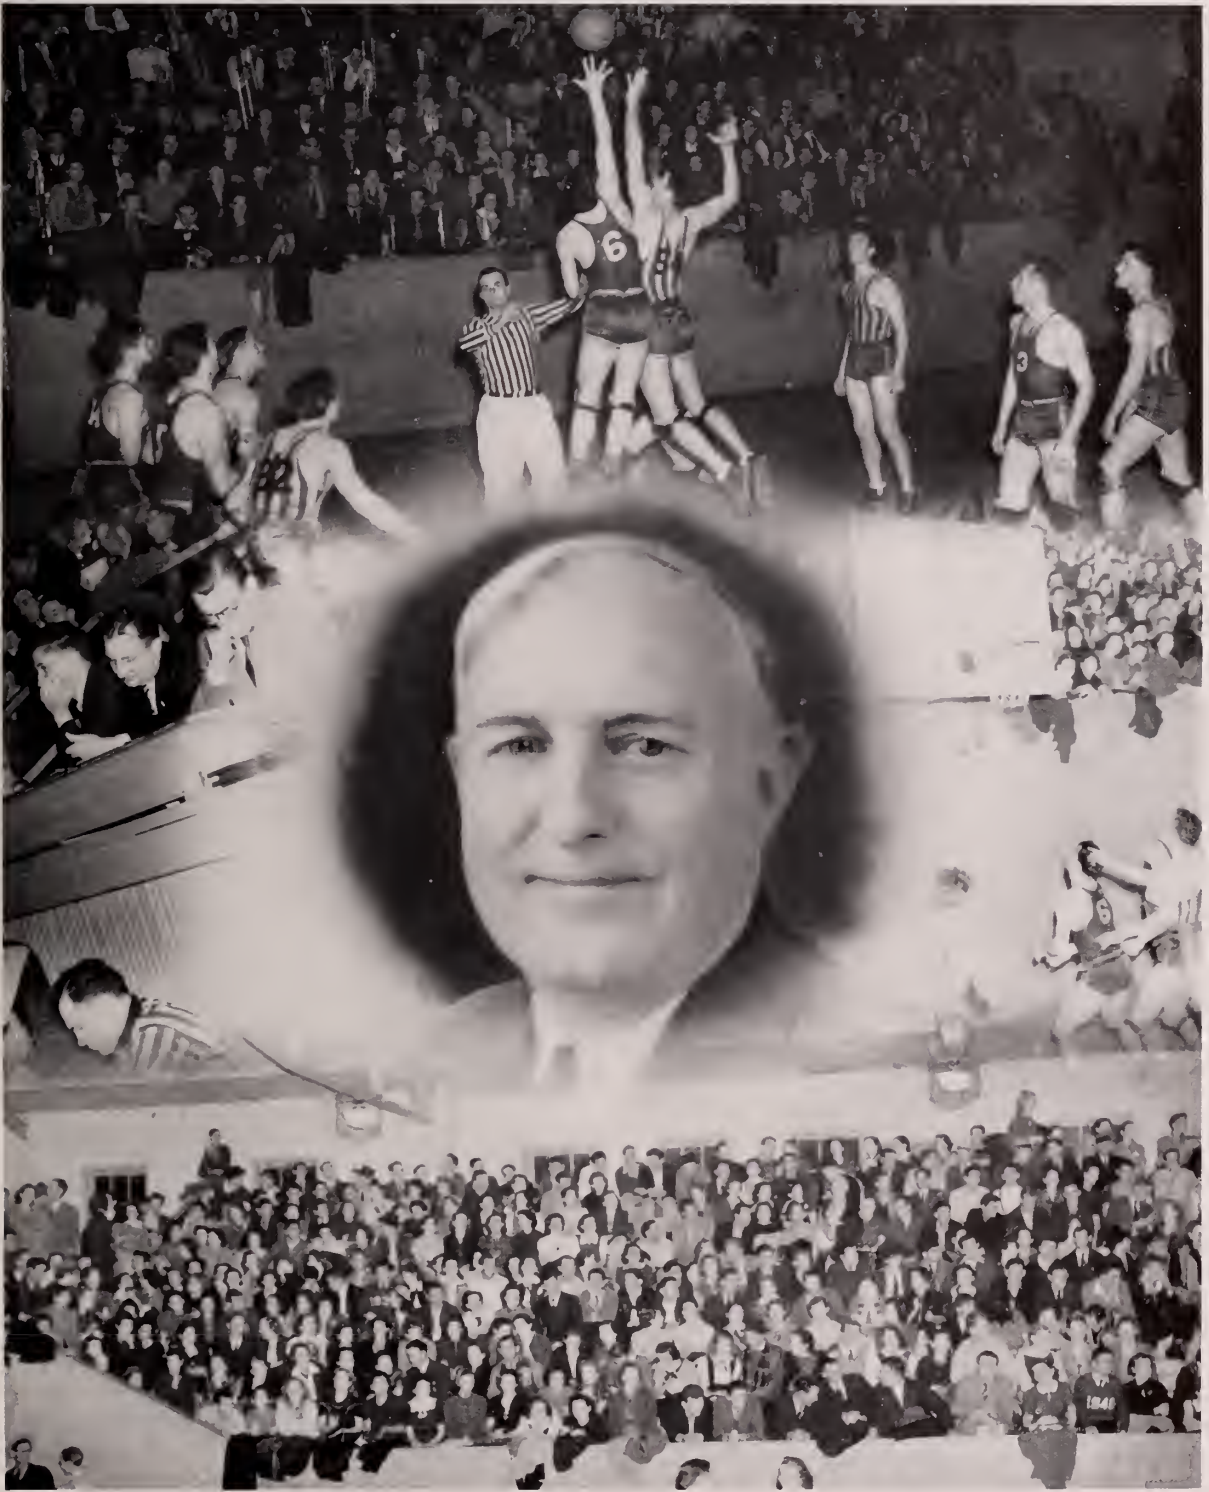

In the first game of the season the Imps met the strong Mansfield High School squad and with Boucher doing all the scoring, emerged the winner by a 13-0 margin.

Against the DeRidder High Dragons, the Demon underlings, scoring at will, won 39-0. Gus Boucher again set the pace, accounting for 20 of the points.

Then doped the underdogs against the Tech Bullpups, who were rated the best first-year squad

in the history of that school, a fact substantiated by a 12-6 win over the Centenary freshmen, Coach Nesom's charges completely outplayed their opponents but had to be content with a 7-7 tie. Boucher circled end for twelve yards and a touchdown and Ted Wright of Guin, Alabama, converted for the extra point.

Still in the role of the underdogs, the Imps, in a game played on the new Athletic Field, Armistice Day, met and defeated the Southwestern Bullpups by a 20-7 score. The South Louisianians, by dint of a 20-6 victory over the Loyola University Frosh were rated one of the finest freshman elevens in the South. Boucher tallied three times for the Imps. The fine defensive play of Minter, Blalock, Harrison, Captain Bramlett and Priest completely throttled the Pup' offense.

BASKETBALL

THE 1938-'39 BASKETBALL

Winning ten conference games and losing only three, to earn the invitation, the Demon basketball team climaxed the 1939 season by advancing to the semifinals of the S. I. A. A. conference tournament held in Bowling Green, Kentucky, losing to Western Kentucky Teachers, the ultimate champions, 44-33.

As a result of their showing in the conference tournament the local college cagers were extended an invitation to compete in the National basketball tournament at Kansas City.

Opening with a 35 to 25 win over the Stetson University quintet of Florida, the Demons nosed out Murray Teachers of Kentucky by a score of 43 to 41 in the quarter-final round the next night to make the season record stand 16 wins and 4 losses.

Coach Lee Prather's squad was additionally honored when two members of the team were placed on the All-S. I. A. A. squad to give the college its first duet on the mythical conference squad in the history of the cage sport here.

THE 1938 SEASON

Topping the season with the S. I. A. A. championship, Coach "Rags" Turpin's 1938 Demon trackmen ended one of their most successful years of competition.

Opening in the strong Southwestern Relays, the Normalites in competition with Rice, L. S. U., Stephen F. Austin, Tulane, and Southwestern, gained third place. Parker's 196 foot, 5 inch heave of the javelin was the highlight of the meet and the only first place earned by any Demon.

In a triangular meet with L. S. U. and Southwestern, the Purple and White clad squad placed second to the "Ole War Skule," Parker again winning the javelin throw.

The Stephen F. Austin Lumberjacks, the first opponents met on the home track, were defeated 65 to 52 by the Demon spikemen, who piled up eight first and seven second places. Ledet was high point man with firsts in the shot put and the discus.

Still before a local audience, Coach Turpin's charges next defeated the Southwestern Bulldogs 66 to 51, compiling nine first and seven second places. Ledet and Webb tied for scoring honors, each with two first places to his credit.

Then in Pineville, May 7, the Demon trackmen ran off with the S. I. A. A., scoring 91 $\frac{2}{3}$ points to second place Southwestern's 53. Twelve first, three second, and eight third places were stacked up by the local squad to carry off the honors.

TENNIS SEASON

Although the schedule contained fewer matches than usual the 1938 Demon tennis season was successfully completed with a record of five wins and three losses. The Demon netmen gained victories over Springhill College of Mobile, Alabama, two over the Centenary Gentlemen and two over the Stephen F. Austin Lumberjacks.

Two losses were handed the local players by Louisiana Tech and one by the Louisiana College Wildcats, constituting their only setbacks.

Captain John D. Bell continued his brilliant college career by winning six singles victories at the Number 1 post. Bell's two losses were to Russ of Louisiana Tech, whom he had previously defeated and Hixon of Louisiana College. Hixon had been defeated by Bell four times during the two previous seasons.

At the number two position Billie Pate Causey broke even with four wins and four losses, as did Jack Fisher, the number three player. E. L. Cross ended his collegiate competition at the number four ranking with three matches won and five lost.

At the number five post, J. R. Sherman won two matches and lost none.

The number one doubles team composed of Bell and Fisher went through the season undefeated, compiling six wins in all.

Causey and Sherman, the second ranking doubles team won three matches and lost five.

The Pan-Hellenic Council is composed of the President and two representatives from each sorority. It directs all sorority affairs, especially in regard to rushing and the relations of the sororities to one another. The council has full authority to settle questions of controversial nature which may arise between and among the sororities on the campus. The Pan-Hellenic Council sponsors a tea in the fall for all women students who have enrolled in the college for the first time. Each spring the council honors its members and faculty advisor with a dinner at the Hotel Nakatosh.

The Inter-Fraternity Council was organized at the Normal in the Spring Term of 1938 to create a more congenial relationship between the fraternities on the campus and to assist in the making of a bigger and better Louisiana State Normal College.

The organization is composed of three representatives from each fraternity. It directs all fraternity affairs, especially those matters in regard to rushing and pledging. The council has authority to settle questions of controversial nature which may arise between and among the social fraternities on the campus. The council hopes to be able to sponsor sometime each year an inter-fraternity dance at which it will be the host of the student body of the Normal.

L A M B D A Z E T A

Since its foundation in 1924, Lambda Zeta fraternity has grown to be one of the outstanding organizations on the campus. It has always been recognized as a select group of men and the organization is noted for its high qualifications for membership. Organized primarily as a social group, it has never lost sight of that purpose. In addition, Lambda Zeta has adhered strictly to its ideals of promoting friendship, not only among its members but also with the other fraternities and the faculty.

S I G M A T A U G A M M A

Nu Chapter of Sigma Tau Gamma was established at the Louisiana State Normal College January 29, 1929. Twenty-six men were made charter members of the chapter at that time.

Sigma Tau Gamma is composed of chapters in teacher's colleges and normal schools of standard collegiate rank and is distinguished by being the oldest fraternity of its kind in the United States. Nu Chapter of Sigma Tau Gamma is the only national educational fraternity on the campus. Its purpose is to establish a more intimate relationship and brotherhood among its members and to serve in every possible way as an uplifting factor in their lives.

Like Sigma Delta Tau, the local organization from which it emerged, Nu Chapter's standards demand only the best of its members. Men must be in the upper levels morally and must be average or above mentally before they are accepted for membership.

The Phi Kappa Nu Fraternity was organized on the State Normal Campus, October 17, 1929, when eight men students of the college were made charter members of this popular fraternity.

Phi Kappa Nu is a local organization, composed of students who participate in all activities on the campus. Its purpose is to establish a closer friendship and brotherhood among the members of the organization. The members and pledges of the fraternity enjoy several social functions during the school year, the most popular of which are the dinner dance and the Spring Fraternity Dance at which the members and pledges act as hosts to the other students on the campus.

THE BAPTIST STUDENT UNION

The Baptist Student Union, an organization sponsored by the Southern Baptist Convention, was organized at the Louisiana State Normal College in 1927; it is a unit in both a State and Southwide Baptist Student Union. The Union has no direct membership, but is composed of the student members of three organizations of the local Baptist Church: the Sunday School, the Baptist Training Union, and the Young Women's Auxiliary. The work of the Baptist Student Union is directed by an Executive Council and is under the leadership of the pastor of the local church and Student Secretary who is maintained by the local church.

Allison, Bradley, Bradley, Burnham, Caldwell, Craft, Dix, Fluit, Ford, Killen, Kilman, Neesom, Turner, Waller, Williams.

PURPLE JACKET CLUB

Among the traditions of Normal College stands the Purple Jacket Club, honor society for women. Its purpose is embodied in the motto—"Service." Membership in the organization is based upon scholarship, leadership, and loyalty to the Alma Mater. The aim of each Purple Jacket girl is the building of a greater Normal College; to this end the group remains ready to serve.

Aycock, Bedingfield, Burnham, Byers, Crowder, Downs, Gellatly, Gindratt, Goodwin, Hicks, Killen, Roy, Stayton, Timmermann, Voltz, White, Williams, Wimberly.

With the largest membership in its twelve years of history, the 1938-39 Forensic Club topped all previous records, traveling over 4,500 miles and engaging in over 300 debates and individual contests held in eight intercollegiate speech tournaments.

Debating two questions: "Resolved that the United States should cease to use public funds (including credits) for the purpose of stimulating business" and "Resolved that world democracies should form an alliance to preserve democracy," Normal College debaters participated in the Millsaps College Invitation Tournament at Jackson, Mississippi, on December 9 and 10; the Louisiana College Tournament at Pineville, Louisiana, on

December 16 and 17; the Baylor University Tournament at Waco, Texas, on January 13 and 14; the Mid-South Tournament at Conway, Arkansas, on February 10 and 11; the Savage Forensic Tournament, at Durant, Oklahoma, on March 3 and 4; Louisiana Forensic on local campus, on March 17 and 18; the Southern Association of Teachers of Speech Tournament at Baton Rouge, Louisiana, on March 28, 29, 30 and 31; and the Grand Eastern Tournament at Rockhill, South Carolina, on April 13, 14, and 15. In addition to debating members of the squad entered contests in oratory, extemporaneous speaking, after-dinner speaking, poetry reading, and radio speaking.

Cook, Crowder, Dowty, Duffy, Glass, Hunter, Krieger, Millet, Murphy, Norris, Odom, Smith.

O R A T O R Y

The women's team composed of Bertha Louise Crowder of Oakdale and Corinne Cook of Pineville won first place in the Louisiana College Tournament, and won second places at the Millsaps College Invitation Tournament and at the Baylor University Tournament.

Other high ranking teams in these tournaments were Francis Thomas and Mackie V. Miller of Natchitoches, Norman Dowty of Alexandria and Pat Murphy of Natchitoches, Henry Ford Glass of Natchitoches and Wallace Hunter of Alexandria, and Gardner Krieger and John Norris of Natchitoches. Results of the other tournaments are not available as *THE POTPOURRI* goes to press. The squad, composed of 14 first-year speakers and 10 varsity debaters maintained an exceptionally high average, winning over sixty per cent of the contests engaged in.

The Forensic Club also sponsored high school tournaments on the local campus February 18 and at several high schools throughout the state.

It is most fitting that the groups of Catholic students in leading colleges and universities should band themselves together in an organization named after Cardinal Newman, one of the world's greatest Christian leaders. The protection of Him is ever with the club because of the Christian work of its faithful patron, Cardinal Newman.

The members of the club emulate the work of Newman in practicing acts of charity and kindness to unfortunates and in joining the world crusade against atheistic doctrines pervading the inner life of colleges and universities.

Ever active, ever generous, ever alert, ever vigilant as its companion group in religious activity, the Newman Club plays no small part in the affairs of the Louisiana State Normal College.

Aycock, Guidry, Harbour, Ledet, Major, Martin, Powell, Raggio, Sagrera, Waguespack.

THE FRESHMAN COMMISSION

The Freshman Commission was organized at the Louisiana State Normal College in the Spring of 1927. The aims of the organization are to promote training in leadership, a spirit of service, and spiritual growth among its members. The members are chosen from the Freshman Class on the basis of service to their respective organizations, character and scholarship.

On Freshman Day the members serve as guides to the incoming students. Miss Catherine Winters is faculty sponsor for the group.

The Y. W. C. A. was formed in 1911 by the union of the King's Daughters and the Devotional Circle, two organizations for creating greater fellowship among the women students and the faculty and to draw them closer to their Creator.

The purpose of the Y. W. C. A. is to unite girls in a desire to live a full and creative life; to share this life with others, and to seek to understand Jesus and to follow Him.

The primary function of the Christian Association is to discover through study and insight the values inherent in religion and to make them effective in all our human relationships.

Allison, Beard, Byers, Davis, Gaar, Gellatly, Gindratt, Goodwin, Hall, Jones, Kincaid, Pou, Reeder, Timmermann, Wade.

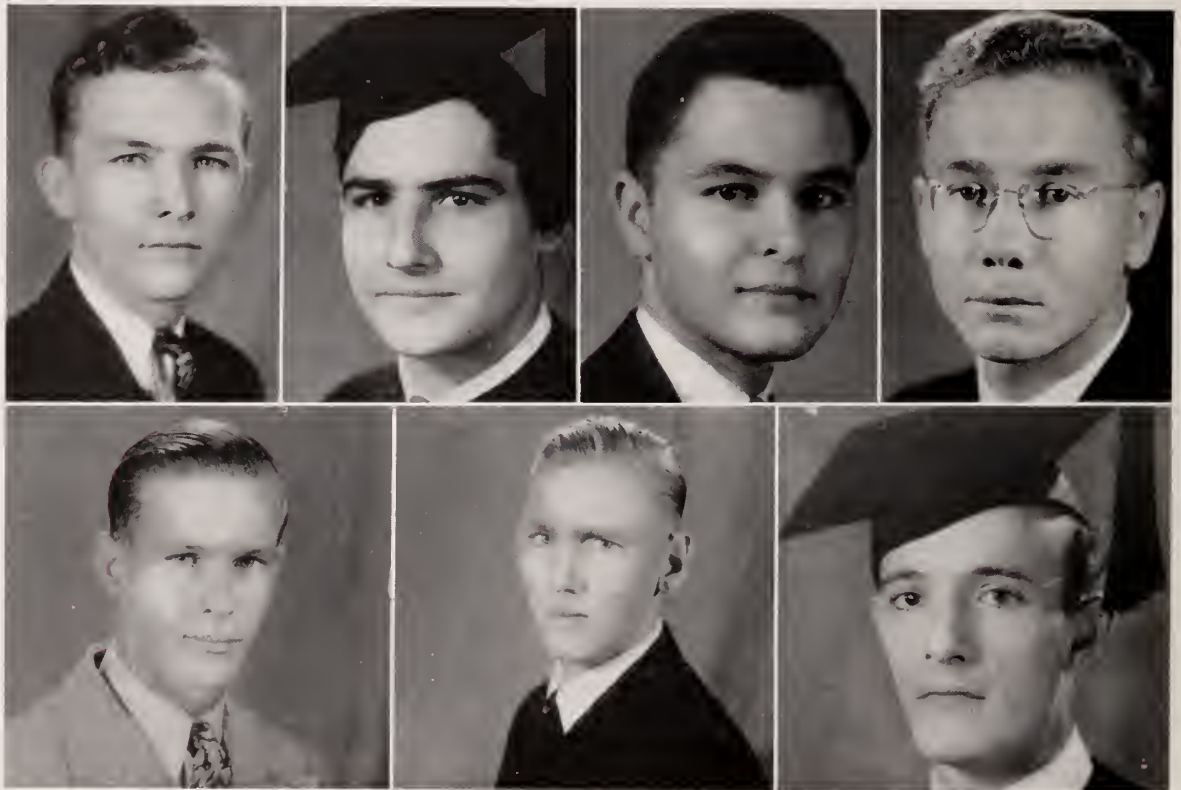

T H E Y. M. C. A.

The Young Men's Christian Association of the Louisiana State Normal College is an organization of religious students. Its chief aim is to be an active factor in all forms of moral and Christian work properly within the scope of such an organization; to bring the young men into a closer and practical relationship among themselves and their Creator. It also encourages attendance at the local churches.

The "Y" is ready at all times to assist all students contemplating entering Normal. It offers the services of two of its members each year to serve as Freshman Commissioners at the Normal.

The Euthenics Club was founded at Louisiana State Normal College in 1926. In the beginning it was operated as a credit club, but in the past few years scholarship has been the basis for membership. This year the membership is not based upon scholarship, but any Home Economics student who is interested in promoting a professional spirit is eligible for membership. This club also endeavors to encourage sociability among its members. The Euthenics Club is a member of the National Home Economics Association and has been represented at several of the national meetings—Atlanta, Chicago, Milwaukee, and Kansas City.

THE DRAMATIC CLUB

Organized in 1923, the Dramatic Club is now under the direction of Miss Annetta L. Wood, head of the Department of Dramatics.

In addition to presenting one play every term, it sponsors the Junior Dramatics Club and the Lesche Annual Play Writing Contest by producing each year original plays written and directed by students at the Normal. Each of these original plays is representative of the superior dramatic work done by the students of the College.

Delta Eta Chapter of Alpha Psi Omega was organized in 1933 as an honorary dramatic fraternity for those obtaining a high standard in dramatics. Membership in the fraternity is a recognition of participation in college dramatics. Members of the Dramatic Club who have done distinguished work in Dramatics at Normal and who have a 2.6 average are rewarded with an Alpha Psi Omega bid.

A MESSAGE TO THE YOUTH OF LOUISIANA

Why Should You Teach?

- While preparing for your work, you are greatly improving yourself.
- The cultural preparation for the profession of teaching is worth more than the preparation for any other work.
- As never before, the people are turning to the schools for guidance in community welfare, civic responsibility, and patriotism.
- High social rank is accorded teachers because of their intellectual and social standards.
- As a teacher you have an opportunity to mould the future citizens of the community in which you work.
- The teachers' work is a vital work, and there are always opportunities for advancement and broader usefulness for live teachers.
- Your State provides the institution for your training, appropriates money to help you with your education; and it is your duty to take advantage of the opportunity and to render to the State that service which she asks.
- The State needs well-trained teachers, and the responsibility for one of these vacant places is yours.
- The teaching profession in your State is looking upward.
- Teaching offers various kinds of work suited to all types of people: kindergarten, primary, grammar grades, high schools, city and rural schools, home economics, industrial work, adult education, physical education, coaching, library, supervisors, principals, superintendents—there is a position waiting for you somewhere.
- Your State Teachers College is equipped to give you the training necessary to make you an outstanding teacher in the public schools of the State.
